Emergency 940-452-6278

October 14, 2021

IMPORTANT INFORMATION AND NOTICES FOR ALL PALO PINTO WSC CUSTOMERS

1. **WATER RATE INCREASE:**

Due to the City of Mineral Wells' water rate increase on September 27, 2021, the Palo Pinto WSC Board of Directors approved a new rate of \$12.00 per 1,000 gallons over the minimum to cover the city's increase. The new rate will become effective as of November 1, 2021. On a bill that averages 4,000 gallons a month, it will be an increase of \$2.10.

2. **TO ALL INTERESTED AGENCIES AND PUBLIC GROUPS:**

On October 6, 2021, the Texas Water Development Board (TWDB) issued a Categorical Exclusion from full environmental review for the Palo Pinto Water Supply Corporation's Elevated Tank and Water Distribution Lines Project, Palo Pinto County, Texas, Drinking Water State Revolving Fund (TWDB Project Number 62821). The Categorical Exclusion and associated maps are available for public review at:

https://www.twdb.texas.gov/financial/reports/environmental_findings/index.asp

Comments regarding this finding may be submitted to : Director, Regional Water Project Development, Texas Water Development Board, Post Office Box 13231, Austin, Texas 78711-3231; or via email at RWPDEnvironmental@twdb.texas.

3. **Welcome to the official website of the Palo Pinto Water Supply Corporation! Please go to www.palopintowsc.myruralwater.com to sign up for recent news and notices, alerts (via e-mail or text), forms, reports, contact information, and resources. And, you may even select your language of choice at the bottom on the far left-hand side!**

We thank you in advance for being a valued Palo Pinto WSC customer! If you have any questions regarding any of the above, please call 940-659-2700.

Sincerely,

Bill Reagan, President
